**Women's****Evening and Dinner Frocks**

for the initial events of the social season

One turns confidently to the opening of the Opera as the impetus that will swing the social life of the Winter into its full movement—approaching a gorgeous season with equally gorgeous materials culled from rare corners of the Globe and fashioned into modes emanating in an unrivalled manner from the foremost ateliers of Paris. Saks & Company present a distinctive array of the finer frocks of the mode, at prices that will command the concentrated attention of the City.

**A Distinguished Frock**

Layers of chiffon in three soft tones of the same color further individualize by its scarflike drapery over one shoulder and a silver flower as the only trimming. In Autumn, brown and gold, jade, flame or orange.

45.00

**Palette Evening Gowns**

of Paris origin, allowing quantities of tulle to drape becomingly at the sides to give the long panel effect and lend softness to the figure. In black combined with turquoise or jade scintillating palettes.

45.00

**An Exquisite Gown**

with the smart circular skirt that has swung into fame instantaneously and a Paris-like cape back of pauvette crepe. Artistically beaded in silver lined crystal and pearl. The twisted girdle that is typically French completes this creation.

—smart of vogue and wonderful of value  
offered Monday at the exceptionally low price of  
8.95

The separate skirt that is at once smart and practical will go more than half way to complete the new mode of the costume blouse. And at 8.95 one does not have to think twice about their wonderful value.

They are simply tailored or cleverly pleated in the season's very newest styles. And every fine material in silk or wool is presented:

Velour plaid, kasha cloth, camelaine, serge, sessura cloth, velour check, jersey cloth, satin and crepe de Chine.

Fourth Floor

**Misses' Frocks of All-Silk  
Chiffon Velvet**

for Afternoon and the dance

Special 39.50

Nothing but a personal scrutiny of these exquisite frocks can give any idea of just how beautiful they are. The quality of velvet is unusual—the kind one finds only in the highest priced frocks. And the modes are those that embody every new fashion phase while retaining the very essence of youth.

One model is a sleeveless shirred basque that enhances the quaint girlishness of any youthful figure. The irregular hem of the skirt is faced with matching chiffon, and the girdle is adorned with metal roses.

The other model has a shirred basque and skirt—with novel tiny sleeve for variation. The crushed girdle carries the only trimming—a handsome buckle. Sizes 14, 16, 18, 20.

In turquoise, sapphire, American beauty, jade and black
